Dear Karla:

Thank you so much for speaking to my management class. The students were impressed with your professional style and content. Several told me how much they enjoyed your presentation.

My thanks also for instructing in the AMA program. Your class in Time Management was always highly regarded, and I could point with pride to you as an example of our outstanding instructors.

Hopefully we will have more opportunities to work together. Please stay in touch.

Sincerely,

(Mr.) A. D. Head  
Assistant Dean of Continuing Education
