Dear Karla:

Thank you for your wonderful presentation at The Possible Woman Leadership Conference 2002 in Atlanta, Georgia – “We Are One World Women Creating the Future” - April 16 and 17 at the Georgia World Congress Center. Your Leadership workshop truly inspired all of the women who participated. I heard many wonderful comments from everyone who attended, and look forward to having you involved in my future conferences and networking events.

I have attached back-up documentation for the enclosed check that includes the number of attendees as well as the original contract for the GWCC for the pre-conference workshop rooms. Should you have any questions, please do not hesitate to call me.

Your energy is very nurturing and positive, and your topic certainly fit well with the integration of mind, body and spirit - as well as achieving overall balance in a woman's life. Thanks for helping with the mission of Possible Woman Enterprises – Making a Difference in the Lives of Women and Girls. You are much appreciated!

Warmest regards,
