Dear Karla,

I am overwhelmed with the amount of positive evaluations we received from your session. It was unanimous--every attendee rated your program as "excellent".

You reinforced your main concepts and gave them skills to immediately put into use. You used humor and made it fun.

Thank you for a wonderful session. We hope to have you back soon.

Sincerely,

A handwritten signature in black ink, appearing to read "Linda L. Black", with a long horizontal flourish extending to the right.

Linda L. Black
