Karla,

Just wanted to drop you a line and tell you how much we enjoyed your presentations at the Eagle Awards Conference. Upon review of the evaluations for the conference, there were many positive comments about your presentations. As a matter of fact, our staff development segment of the conference, which you conducted, was the only segment which had no negative comments and no suggestions for improvement, only statements of praise. Thanks so much for working with us. We hope that you will consider working with us again in the future.

Sincerely,

A handwritten signature in black ink that reads "Tom".
