Dear Ms. Brandau:

On behalf of the American Association of Occupational Health Nurses, thank you for serving as a speaker at the recent 1999 Conference of Leaders here in Atlanta. The presentations were very diverse this year, and we increased the number of leadership topics that were presented. The overall evaluations were extremely favorable and that would not have been possible without your expertise and willingness to contribute your valuable time and energy.

Enclosed is a copy of the evaluation results from your session. I hope you will find this information helpful as you develop future programs.

Thank you again for your enthusiastic participation. Please feel free to call me if you have any comments or questions (770-455-7757 ext. 111). It has been a pleasure working with you, and I hope that AAOHN can benefit from your expertise again in the future.

Sincerely,

A handwritten signature in blue ink that reads 'Martha Youngblood'.
