Dear Karla:

Everyone just keeps telling me how much they enjoyed your speaking at our Secretary of the Year Luncheon! You were a smashing success and an inspiration to many. Your topic exactly fitted what we all needed to hear.

Thank you so much for visiting with us and giving us a chance to become acquainted with you. I have enclosed the taped portion of your speech and also a few photographs taken of you.

Best wishes for your continued success.

Sincerely,

Glenda Kunz CPS
